Note to defendant: A Certificate and Order of Discharge does not operate to remove a criminal Conviction from your record. It does not remove any restrictions on the ownership, possession or control of firearms/ammunition under state/federal law. A Certificate and Order of Discharge does not terminate your obligation to comply with a no-contact order that excludes or prohibits you from having contact with a specified person or coming within a set distance of any specified location or your obligations to register as a sex or kidnapping offender.

Comes now the I, [name of defendant] in the above-captioned matter and petitions the court for a Certificate and Order of Discharge [] and for Issuance of a Separate No-Contact Order pursuant to RCW 9.94A.637.

I am subject to a no-contact order that was written as part of the judgment and sentence. I request the court to reissue the no-contact order separately for the remaining term and under the same conditions as contained in the judgment and sentence and to direct the clerk of the court to file the new no-contact order under a new civil cause number.
